## Mid York Library System Estimated Construction Needs, 2021-2025

Dunham Public Library	Oneida	47	119	Expand the Library by building the second floor that was part of the original design from the 1986 main library addition. The 1st floor of the main library needs new flooring, a water bottle drinking fountain, and updated bathrooms to conform to current ADA standards. Interior walls are slated to be built to house clear view glass on the top 4 feet and upgraded electrical and IT on the bottom 4 feet. This interior wall will also reduce sound transmission in the open floor plan area to create a Children's area on open side and an adult computing area on the other side. The original Dunham house circa 1850 portion of the library needs to be reconstructed or rebuild. It needs extensive renovation from roof to basement.	\$2,500,000
