

## Southern Tier Library System Estimated Construction Needs, 2021-2025

Library Name	County	Senate District	Assembly District	Project Description	Amount
Alfred Box of Books Library	Allegany	57	148	Improved building space, New building	\$700,000
20th Century Library - Almond	Allegany	57	148	Mechanical upgrades, Improved building access, Energy efficiencies, Structural work & Improved building space	\$450,000
Andover Free Library	Allegany	57	148	Mechanical upgrades, Energy efficiencies, Structural work & Improved building space	\$250,000
Angelica Free Library	Allegany	57	148	Mechanical upgrades, Improved building access, Energy efficiencies, Structural work & Improved Building Space	\$500,000
Belfast Public Library	Allegany	57	148	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work & Improved building space - Building addition	\$700,000
Belmont Literary & Historical Society Free Library	Allegany	57	148	Mechanical upgrades, Building accessibility, Energy efficiencies,	\$150,000
Bolivar Free Library	Allegany	57	148	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work & Improved building space	\$150,000
Colonial Library, Richburg	Allegany	57	148	Mechanical upgrades, Energy efficiencies, Building accessibility & Improved building space	\$150,000
Cuba Circulating Library	Allegany	57	148	Mechanical upgrades, Building accessibility, Energy efficiencies, Improved building space	\$100,000
David A. Howe Public Library	Allegany	57	148	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work, Improved building space	\$2,500,000
Essential Club Free Library, Canseraga	Allegany	57	148	Mechanical upgrades, Building accessibility, Energy efficiencies & Improved building space	\$50,000

## Southern Tier Library System Estimated Construction Needs, 2021-2025

Friendship Free Library	Allegany	57	148	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work & Improved building space	\$150,000
Genesee Library	Allegany	57	148	Mechanical upgrades, Energy efficiencies, Structural work & Improved building space	\$200,000
Rushford Library	Allegany	57	148	Improved building space, New building	\$700,000
Scio Memorial Library	Allegany	57	148	Mechanical upgrades & Improved building space	\$50,000
Whitesville Public Library	Allegany	57	148	Mechanical upgrades, Structural work & Improved building space	\$50,000
Chemung County Public Library – Big Flats	Chemung	58	124	Mechanical upgrades, Energy efficiencies & Improved building space	\$100,000
Chemung County Public Library – Horseheads	Chemung	58	124	Mechanical upgrades, Energy efficiencies & Improved building space	\$150,000
Chemung County Public Library – Steele	Chemung	58	124	Mechanical upgrades, Energy efficiencies, Building accessibility, Structural work & Improved building space	\$500,000
Chemung County Library District – Van Etten	Chemung	58	132	Mechanical upgrades, Energy efficiencies & Improved building space	\$50,000
Chemung County Public Library – West Elmira	Chemung	58	124	Mechanical upgrades, Energy efficiencies, Building accessibility, Structural work & Improved building space	\$100,000
Dutton S. Peterson Memorial Library	Schuyler	58	132	Improved building space, New building	\$700,000
Montour Falls Memorial Library	Schuyler	58	132	Mechanical upgrades, Energy efficiencies, Building accessibility, Structural work & Improved building space	\$200,000
Watkins Glen Public Library	Schuyler	58	132	Mechanical upgrades, Energy efficiencies, Structural work & Improved building space	\$150,000

## Southern Tier Library System Estimated Construction Needs, 2021-2025

Addison Public Library	Steuben	58	132	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work & Improved building space	\$250,000
Avoca Library	Steuben	58	132	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work & Improved building space	\$500,000
Cohocton Public Library	Steuben	58	133	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work & Improved building space	\$1,000,000
E.J. Cottrell Memorial Library, Atlanta	Steuben	58	133	Mechanical upgrades & Energy efficiencies	\$150,000
Dormann Library, Bath	Steuben	58	132	Improved building space, New building	\$1,500,000
Fred & Harriet Taylor Memorial Library, Hammondsport	Steuben	58	132	Mechanical upgrades & Energy efficiencies	\$50,000
Hornell Public Library	Steuben	58	132	Mechanical upgrades, Energy efficiencies, Building accessibility, Structural work & Improved building space	\$250,000
Howard Public Library	Steuben	58	132	Mechanical upgrades, Energy efficiencies, Building accessibility & Improved building space	\$100,000
Jasper Free Library	Steuben	58	148	Mechanical upgrades, Energy efficiencies & Improved building space	\$25,000
Prattsburgh Library	Steuben	58	132	Mechanical upgrades, Energy efficiencies, Building accessibility, Structural work & Improved building space	\$500,000
Savona Free Library	Steuben	58	132	Mechanical upgrades, Energy efficiencies, Building accessibility, Structural work & Improved building space - Building addition	\$300,000

## Southern Tier Library System Estimated Construction Needs, 2021-2025

Southeast Steuben County Library, Corning	Steuben	58	132	Mechanical upgrades, Energy efficiencies, Building accessibility, Structural work & Improved building space	\$2,000,000
Southern Tier Library System	Steuben	58	132	Mechanical upgrades, Energy efficiencies, Structural work & Improved building space	\$500,000
Wayland Free Library	Steuben	58	133	Mechanical upgrades, Energy efficiencies, Structural work & Improved building space	\$100,000
Wimodaughasian Free Library	Steuben	58	132	Mechanical upgrades, Building accessibility, Energy efficiencies & Improved building space	\$100,000
Dundee Public Library	Yates	58	132	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work, Improved building space	\$150,000
Modeste Bedient Memorial Library, Branchport	Yates	58	132	Mechanical upgrades & Energy efficiencies	\$50,000
Penn Yan Public Library	Yates	58	132	Mechanical upgrades, Building accessibility, Energy efficiencies, Structural work, Improved building space	\$150,000

**System Total: \$16,475,000**
